

# You Ain't Dolly (and You Ain't Porter)

[Ashley Monroe](#)

You ain't Dolly and you ain't Porter  
She's a little bit fuller and you're a whole lot shorter  
Let's dance all night and fill the jukebox full of quarters  
'Cause you ain't Dolly, no, and you ain't Porter

Well I noticed you right off the bat in those cowboy boots  
Who couldn't help but see you in that rhinestone suit  
That's cause I'm the reigning queen of karaoke night  
Well if I get drunk enough to sing, hell I just might

Hey now, don't you worry cowboy, cause I'll get you through  
We'll sing a cheating song just like they used to do

Cause you ain't Dolly and you ain't Porter  
She's a little bit fuller  
Yeah, but you're a whole lot shorter  
Let's drink all night and fill the jukebox full of quarters  
Cause you ain't Dolly and you ain't Porter

You'll probably see me country singing on The Voice someday  
Yeah and I'm the guy they wrote about in 50 Shades of Grey  
Why don't you come on back to my place and you can have your way  
Well baby that sounds tempting, but I just can't stay  
Oh we won first prize cowboy, let's just split the dough  
Honey I will always love you, but we'll never know

Cause you ain't Dolly and you ain't Porter  
She's a little bit fuller  
Yeah, and you're a whole lot shorter  
We danced all night and filled the jukebox full of quarters  
Cause you ain't Dolly and you ain't Porter, no  
No, you ain't Dolly and you ain't Porter
