

# Down At The Twist And Shout

## The Country Party Band

Saturday night and the moon is out  
I wanna head on over to the Twist and Shout  
Find a two-step partner and a Cajun beat  
When it lifts me up I'm gonna find my feet Out in the middle of a big dance floor  
When I hear that fiddle wanna beg for more  
Gonna dance to a band from a-Lou'sian' tonight Well I never have wandered down to New Orleans  
Never have drifted down a bayou stream  
But I heard that music on the radio  
And I swore some day I was gonna go Down Highway 10 past Lafayette  
To Baton Rouge and I won't forget  
To send you a card with my regrets  
'Cause I'm never gonna come back home Saturday night and the moon is out  
I wanna head on over to the Twist and Shout  
Find a two-step partner and a Cajun beat  
When it lifts me up I'm gonna find my feet Out in the middle of a big dance floor  
When I hear that fiddle wanna beg for more  
Gonna dance to a band from a-Lou'sian' tonight They got a alligator stew and a crayfish pie  
A golf storm blowin' into town tonight  
Livin' on the delta's quite a show  
They got hurricane parties every time it blows But here up north it's a cold cold rain  
And there ain't no cure for my blues today  
Except when the paper says, "Beaujolais is coming into town"  
Baby let's go down Saturday night and the moon is out  
I wanna head on over to the Twist and Shout  
Find a two-step partner and a Cajun beat  
When it lifts me up I'm gonna find my feet Out in the middle of a big dance floor  
When I hear that fiddle wanna beg for more  
Gonna dance to a band from a-Lou'sian' tonight Bring your mama, bring your papa, bring your sister too  
They got lots of music and lots of room  
When they play you a waltz from 1910  
You gonna feel a little bit young again Well you learned to dance with your rock and roll  
You learned to swing with a do-si-do  
But you learn to love at the fais-so-do  
When you hear a little Jolie Blown Saturday night and the moon is out  
I wanna head on over to the Twist and Shout  
Find a two-step partner and a Cajun beat  
When it lifts me up I'm gonna find my feet Out in the middle of a big dance floor  
When I hear that fiddle wanna beg for more  
Gonna dance to a band from a-Lou'sian' tonight
