

Closer

Brandyn Burnette & John Lock

lights are off time is stopped read you loud & clear ! cmon talk wonâ€™t you talk bring it over here ! This could be in my mind ! this could be in my mind ! but I think Iâ€™m seeing signs ! Iâ€™m bout to make you mine[chorus]come a little closer babe ! send your cosmic lovin my way ! I donâ€™t need the extra space ! come a little closer ! just a little closer baby...baby...just a little closer baby ! I just canâ€™t get enough ! You just canâ€™t get enough ! We just canâ€™t give it up ! I just canâ€™t give you up[verse 2] cmon walk wonâ€™t you walk ! like we're on the moon ! hit the top donâ€™t stop ! til Iâ€™m under you ! This could be in my mind ! this could be in my mind ! but I think Iâ€™m seeing signs ! Iâ€™m bout to make you mine[chorus]come a little closer babe ! send your cosmic lovin my way ! I donâ€™t need the extra space ! come a little closer ! just a little closer baby...baby...baby..I just canâ€™t get enough ! You just canâ€™t get enough ! We just canâ€™t give it up ! I just canâ€™t give you up..Baby..Baby..Baby..[verse 3] Iâ€™ve seen all I need my sight is set on you now ! set on you Now ! itâ€™s set it on you now ! set on you now ! youâ€™re giving me this energy ! thereâ€™s only one thing left to do now ! left to do now ! itâ€™s just me & you now ! just me & you now[chorus]come a little closer babe ! send your cosmic lovin my way ! I donâ€™t need the extra space ! come a little closer ! just a little closer baby(X5)ï»¿
