OMG

Little Mix

Oh my gosh, I did it again
I don't even know how I did that
Need a round of applause
Just like the cream to a kitty cat
Lining up at the door
Maybe it's the way I work it
My beach bring the boys to the shore
Maybe it's the way I flirt
That they get hurt, they just don't learn
I don't even know
Why they fall like dominoes
Oh my gosh, I did it again
He said I broke his heart, it keeps happening
I don't know why they always fall for me
Why they always fall for
Oh my gosh, I did it again
He said I broke his heart, it keeps happening
I don't know why they always fall for me
Why they always fall for
Them boys getting so ambitious
They should win an award
Got twenty more, plenty more fished
But I still come first
Maybe I'm superstitious
I want to break this curse
They say they want to lay it on me
I'm their one and only girl
I don't even know
Why they fall like dominoes
Oh my gosh, I did it again
He said I broke his heart, it keeps happening
I don't know why they always fall for me
Why they always fall for
Oh my gosh, I did it again
He said I broke his heart, it keeps happening
I don't know why they always fall for me
Why they always fall for
Oh my gosh, I think I did it again
Broke his heart, why does this keep happening?

Don't come crying when I say it's the end
I'm ringing the alarm, boy you better run on
Oh my gosh, I did it again
He said I broke his heart, it keeps happening
I don't know why they always fall for me
Why they always fall for
Oh my gosh, I did it again
He said I broke his heart, it keeps happening
I don't know why they always fall for me
Why they always fall for
Oh my gosh
Oh my, oh my, oh oh oh
Oh my gosh
Oh my, oh my, oh oh oh
Oh my gosh
