Vengeance Is Mine

Arch Enemy

Infestation
Of spirit and flesh
Indignation
Is all you left me with
Domination
Your ultimate goal
Transmigration
You all lose control

I will rise up
And prove you wrong
I've been waiting
In the shadows
For too long

The gates are opening
My true self unleashed

Laceration
Of my mind and soul
Alteration
Your truth is full of lies
Liberation
Sweet revenge is mine
Devastation
You are dead at my hand

I will rise up
And prove you wrong
I've been waiting
In the shadows
For too long

The gates are opening
My true self unleashed

Vengeance is mine

The gates are opening
My true self unleashed
