

Lovely Day (Album Version)

Donavon Frankenreiter

All I see is sunny sky
Everytime I look into your eyes
Here we go again my friend
Staying together till the end It's gonna be.. a lovely day [Repeat: x 4] Being out in the open air
Livin' life like we just don't care
Just doin' what we want to do
Not doin' what we're supposed to It's gonna be.. a lovely day [Repeat: x 4] We'll just float
On top of the
Clouds that cover
Our skies I say We'll just fly
On top of the
Clouds that cover
Our skies instead It's gonna be.. a lovely day [Repeat: x 4]
