While You Were Sleeping

Casting Crowns

Oh, little town of Bethlehem

Looks like another silent night

Above your deep and dreamless sleep

A giant star lights up the skyAnd while youre lying in the dark

There shines an everlasting light

For the King has left His throne

And is sleeping in a manger tonight, tonightOh, Bethlehem, what you have missed

While you were sleeping

For God became a man

And stepped into your world todayOh Bethlehem, you will go down in history

As a city with no room for its King

While you were sleeping

While you were sleepingOh, little town of Jerusalem

Looks like another silent night

The Father gave His only Son

The way, the truth, the life had come

But there was no room for Him in the world He came to saveJerusalem, what you have missed

While you were sleeping?

The Savior of the world

Is dying on your cross todayJerusalem, you will go down in history

As a city with no room for its King

While you were sleeping

While you were sleepingUnited States of America

Looks like another silent night

As were sung to sleep by philosophies

That save the trees and kill the childrenAnd while were lying in the dark

Theres a shout heard cross the eastern sky

For the Bridegroom has returned

And has carried His bride away in the night, in the nightAmerica, what will we miss

While we are sleeping

Will Jesus come again

And leave us slumbering where we layAmerica, will we go down in history

As a nation with no room for its King

Will we be sleeping?

Will we be sleeping? United States of America

Looks like another silent night
