

# I'm the Other Man

## Tyrese

Naw, for real man, it's like every time I run into a girl  
She wanna just sit up and tell me  
About how her man treatin' her  
This is what I told one girl check this out yall  
When you get lonely at night  
Call me, I'll be right there  
(I'm the other man, I'm the other man)  
(With your woman)  
I'm the other man, yeah, yes  
When you need someone to talk to  
You know just what to do  
Pick up the phone and call me  
I'm the other man, I'm the other man  
(With your woman)  
Baby, I'm the other man  
When he ain't lovin' you right  
Callin' Tyrese is alright  
I'm a give you what you missin'  
(I'm the other man, I'm the other man)  
(With your woman)  
I'm the other man, yes I am  
Does the make you less of a man  
To walk down the street holding your woman's hand?  
(I'm the other man, I'm the other man)  
(With your woman)  
That's why, I'm the other man, I'm the other man  
Yeah, yeah, yeah, get your life together  
'Cause she's gonna keep on coming my way, baby  
(I'm the other man, I'm the other man)
