

Would You Miss Me

[Amy Kuney](#)

Verse 1:

Monday, Monday dreaming oh, it always ends the same

You ache for Saturday but you cant reach

If I found you lonesome for someone youve never met

You havent found her yet would that be me?Chorus 1:

Would you miss me today if I met you tomorrow?

If I met you tomorrow? Would you miss me?Verse 2:

Youre homesick for a place youve never been-

Ill take you there; yes I will take you there in strangers skin

Oh, the road that leads to morrow limitless and wide

So keep an open mind and let me inChorus 2:

Would you miss me today if I met you tomorrow?

If I met you tomorrow? Would you miss me?

Would you know that you need me before I said hello?

Hello? If I met you tomorrow, would you miss me?Bridge:

Wait for it, Wait for it, Wait for it, youll be glad you didVerse 3:

I know you kiss the back of your hand like it was my face

You hold your pillow like my waist; just put me in their place
