

GAOBEAR (feat. Dusty)

GANZ

Gao, (Yeah)

Bear

Gao

Morph

Gao, (What)

Bear, (Dusty, Ganz)

Gao

Where the fuck your niggas from
Empire of nigga dumb
Fu Fu Lanes are sicker than the ammo in your little gun
Torture turns to little fun
Little fun turns into torture
Shouldâ€™ve listened to your mum
All the thing that she did taught ya

You will, but you wonâ€™t, but you will or wonâ€™t ya
Gaobear activatinâ€™ killinâ€™ all the vultures
They say itâ€™s part of nature
This is part of our culture
See these eyes of religion; itâ€™s the church of the pigeon

Monsters scarred in the kitchen, weâ€™ll just have to a listen
Mother fucker division, Y B A and Iâ€™m driven
I wish I could tell you how little fucks that could be givinâ€™
(Gao, Gao, Gao, Gao, Gao, Gao, Gao, Uh)

About you and who you other motherfuckers fight your cousin and your brother
Power rangers Morphinâ€™
Motherfucker, pick a colour reminiscing with fwecco
Dreaminâ€™ bout the gualla (uh)
Dreaminâ€™ bout the gualla
We were dreaminâ€™ bout the gualla

Gaobear, Mighty morphinâ€™
Gaobear, Mighty morphinâ€™
Gaobear, Mighty morphinâ€™
Gaobear, Morphin time
Mighty morphinâ€™, Gaobear
Mighty morphinâ€™, Gaobear
Mighty morphinâ€™, Gaobear

Mighty morphinâ€™™, Morphinâ€™™ time

They tried to infiltrate the R
Pants on fire your fire ignited the spark
Ya shouldaâ€™™ listened to your mum boy, bit like you when the crawlinâ€™™
Fuckinâ€™™ suckinâ€™™ on your thumb boy
Hold tight the young gun nigger thatâ€™™s mums son
Hit him on the whatsapp or call him if ya want some
Bitch itâ€™™s morphinâ€™™ time
Not the same thing when youâ€™™re snortinâ€™™ lines with your rich friends sippinâ€™™ imported wine

Fuck that
We donâ€™™t trust that
Suck that I mean suck dick or duck quick
You can trust this
You will love this for the rubbish
Ya bitch
Ya bitch
Mighty morphinâ€™™ forever my gaobear is the toughest
But Iâ€™™m still lookinâ€™™ for somethinâ€™™
(Still lookinâ€™™, still lookinâ€™™)
But I donâ€™™t know what I need
(I donâ€™™t know, donâ€™™t know)
Take me to where it all began
(Where it began)
Enter my lungs so I can breathe
(Ah)
Breathe
