

# I Want To Wake Up

## Pet Shop Boys

I heard what you said and I can tell you it's true  
I heard you've said that I am crazy about you  
Turn in my sleep, the bad dream is over  
Think of you and shall I ever recover? Now, I want to wake up  
How, I want to wake up I stood at the kitchen sink, my radio played  
Songs like 'Tainted Love' and 'Love Is Strange'  
As I listened and the words hit my ears  
I cried sudden tears Now, I want to wake up  
How, I want to wake up, wake up It's mad, to be in love with someone else  
When you're in love with him, she's in love with me  
But you know as well as I do  
I can never think of anyone but you All my life  
All my life I want to wake up Play with fire, play with guns  
It's easy to impress someone  
Turning in my sleep, you call me a fool  
To fall in love, is it so uncool? Now, I want to wake up  
How, I want to wake up  
Now, I want to wake up, wake up I, I want to wake up  
I, I want to wake up  
I, I want to wake up  
I, I want to wake up with you, oh I, I want to wake up with you, oh  
I want to wake up, wake up, wake up  
I, I want to wake up, wake up, wake up with you  
I want to wake up, oh
