

# Dig Ophelia

## Rasputina

Dig Ophelia, consider it dug  
Flowers madness and polar bear rug  
Here's the water, just ankle deep high  
Lay back relax and look up at the sky Your eyes never close, your mind's not at rest  
Lay back, get waterlogged, give us a kiss  
Water spreads the small seed and water kills the tall weed  
Ophelia Cut the stem and you'll see how you feel  
Floating orchids just ain't no big deal  
Never knowing's like knowing too much  
Tap the table, oh, here's more bad luck Your eyes never close, your mind's not at rest  
Lay back, get waterlogged, give us a kiss  
Water spreads the small seed and water kills the tall weed  
Ophelia, Ophelia, Ophelia
