## In Your Letter

## **Reo Speedwagon**

In your letter, ooh, in your letter In your letter you said you didn't love me You said you're gonna leave me But you could've said it better Oh, in your letter, you said you couldn't face me You said you could replace me But you could've said it better You could've left him only For an evening let him be lonely But you hid behind your poison pen and his pride You could've told him something And proved to me you don't love him But you hid behind your future full of lies Oh, in your letter Oo, you could've left him only For an evening let him be lonely But you hid behind your poison pen and his pride You could've told him something And proved to me you don't love him But you hid behind your future full of lies Oh, in your letter you said you didn't love me You said you're gonna leave me But you could've said it better Oh in your letter, you said you couldn't face me You said you could replace me But you could've said it better Oh, in your letter In your letter, ooh, in your letter
