

A Shogun Named Marcus

Clutch

If you thought it was boring in Jordan
Then come out here for a day
And by the way, the name is Marcus
But if you like, you can call me Sensei
Well the emperor is in the pig sty
And the geisha is in the shack
And you better believe that I'll hold on there
Till the feds, they pay me back
Kamikaze backbone, nine iron spitfire
Continental samurai, oh my Lord
Brown sugar, sweet potato, sour mash, baby back
Redneck romance, bless my soul
Hari Kari and combines
Come dancin' with me
Hari Kari and combines
Won't you come dancin' with me?
Yes, I'm a New World Samurai, and a redneck nonetheless
Yes, I'm a New World Samurai, and a redneck nonetheless
Yes, I'm a New World Samurai, and I can read your mind
Check it out, I'm like a buzz bomb, yes, I'm a New World Samurai
Check it out, I'm like a buzz bomb
So Beebopalloobopawopshamboo
Domo arigato if I got to
Bebopaloobopawopshamboo
And domo arigato if I got to
Bebopaloobopawopshamboo
Domo arigato if I got to
Bebopaloobopawopshamboo
And domo arigato if I got to
So Beebopalloobopawopshamboo
Domo arigato if I got to
Bebopaloobopawopshamboo
And domo arigato if I got to
Beebopalloobopawopshamboo
Domo arigato if I got to
Bebopaloobopawopshamboo
And domo arigato if I got to
