Little Red Riding Hood

Sam the Sham & the Pharaohs

Hey there Little Red Ridin' Hood, you sure are lookin' good.
You every thing that a big bad wolf would want.
Little Red Ridin' Hood, I don't think that a big girl should,
Go walkin' in the streets or woods alone.
What big eyes you have, the kinda' eyes that'll drive wolves mad.
So to see, ya don't get cheesed, I think I'm to walk with you to be safe.
What full lips you have

Before we get to Grandma's place, you're sure to see things just my way.
I'm gonna keep my sheep suit on, until I'm sure that you've been shown,
That I can be trusted here to walk with you alone.
Little Red Ridin' Hood, I'd like to show ya know if I could,
But you might think that I'm a big bad wolf so I won't.
What big heart I have, all the better just to love you with.
Little Red Ridin' Hood, even bad wolves can be good.
Gonna' keep you satisfied. Just walk on by my side.
And before we get to Grandma's place, you ought to see things just my way.
I'm gonna' keep my sheep suite on, until I'm sure that you've been shown,
That I can be trusted here to walk with you alone.

Little Red Ridin' Hood, I'd like to give it to ya now if I could,
But you might think I'm a big bad wolf so I won't.
What big heart I have, all the better just to love you with.
Little Red Ridin' Hood, even bad wolves can be good.
Gonna' keep you satisfied. Just walk on by my side.
And before we get to Grandma's place, you ought to see things just my way.
