Peace

O.A.R.

I don't wanna fight no more
I only wanna get to shore
Baby don't slam the door tonight
We ran another off the tracks
That's time we can't get back
We can save tomorrow if we tryOh oh oh oh until we make this right
Oh oh oh oh I won't say good nightI just wanna make you laugh
I just wanna see that smile
Babe we're only here, oh for a little while
I just wanna hold you till we fall asleep
I want love, I want us, I want you, I want me, I want peaceEverybody needs a place, somewhere that's warm and safe
For shelter from this crazy world we're in
But tonight I let the rain inside, I took away your place to hide
I'm sorry that I made you cry againOh oh oh oh we can make this right
Oh oh oh oh kiss me good nightI just wanna make you laugh
I just wanna see that smile
Babe we're only here, oh, for a little while
I just wanna hold you till we fall asleep
I want love, I want us, I want you, I want me, I want peace
Yea I want peaceOh oh oh oh we don't have to fight
Oh oh oh oh just kiss me all night
'Cause I want peace yeah yeahI just wanna make you laugh
I just wanna see that smile
Babe we're only here, oh, for a little while
I just wanna hold you till you fall asleep
I want love, I want us, I want you, I want me, I want peaceI just wanna make you laugh
I just wanna see that smile
Babe we're only here, oh, for a little while
I just wanna hold you till you fall asleep
I want love, I want us, I want you, I want me, I want peace
love, I want us, I want you, I want me, I want peace
