Teenage Tiger

Randy

Got a bad feeling something's going to happen, tonight
The kids are revved up, looks like they're going to start a fight tonight
Kids are vicious and mean, got bombs with gasoline
They want, want, want, wanna use them nowI got a bad feeling something's going to happen tonight
The kids will make us mad and provoke us just out of spite tonight
The kids are nasty and loud, they won't make us proud
Achtung, achtung, achtung, achtung, achtung now, listen to meFear no evil, see no evil, hear no evil
Kids are deaf, dumb and blindWop bopbop babeloba bamboom
Got a teenage tiger in my living room
Wop bopalola bop bam bam boom
A juvenile gorilla, a young baboonWop bopbop babeloba bamboom
Got a teenage tiger in my living room
And if I let him out, he's going to drink and fuck and fight
Wopbopbopbop, I won't do it
Wopbopbopbop, I won't let him outOh, I got a feeling nothing's going to happen tonight
That around ten my parents going to shut the light tonight
That's when their crossword puzzle is done and they had their little fun
And they won't, won't, won't, won't do anything else, noAll they see is evil, all they hear is evil
How they all fear evil 'cause that's what grown-ups doWopbopbopbop babeloba wopbambom
A teenage tiger in their living room
Wop bopalola bop bam bam boom
A juvenile gorilla, a young baboonWopbopbopbop babeloba wopbambom
A teenage tiger in their living room
And if they let me out
I'm gonna drink and fuck and fightWopbopbopbop, they can't do it
Wopbopbopbop, they can't keep me here
Wopbopbopbop, they can't do it'Cause I'm a teenage tiger in their living room
Juvenile gorilla, young baboon
Teenage tiger in their living room
If they let me out, I'm gonna drink and fuck and fightWopbopbopbop, they can't do it
Wopbopbopbop, they can't keep me here
Wopbopbopbop, they can't keep me
Wopbopbopbop, they won't let me out
