

Where or When

Frank Sinatra, Eydie Gorme & Steve Lawrence

When you're awake the things you think
Come from the dream you dream
Thought has wings, and lots of things
Are seldom what they seem Sometimes you think you've lived before
All that you live today
Things you do come back to you
As though they knew the way Oh the tricks your mind can play
It seems we stood and talked like this, before
We looked at each other in the same way then
But I can't remember where or when The clothes you are wearing are the clothes you wore
The smile you are smiling you were smiling then
But I can't remember where or when
Some things that happened for the first time
Seem to be happening again And so it seems that we have met before
And laughed before, and loved before
But who knows where or when.
