

# BDE (Best Day Ever)

MAC MILLER

I never take a day off  
Work around the clock, my engineer gettin' paid off  
Rock like Aesop, light the weed and take off  
So high I cannot see, Adolf  
Now I got these rappers all breakin' up a sweat  
'Cause every time I get up on the mic, it come correct  
And I learned it from the best, always dressed in somethin' fresh  
Lookin' for a little dime, big butt and nice chest  
Yes, they heard I used to rock Guess  
But now I'm rockin' clothes that ain't in the stores yet  
Travel back in time, I'm in a vortex  
Tryna to make it work out, think I need more reps  
Used to take a bus, now the boy board jets  
Cause K.I.D.S. got me buzzin' like a fuckin' hornet  
They say I got next, tell them that I got now  
It's all Disney boy, my family Proud  
Make 'em say "ow", make 'em say "oh"  
The hoes that tell me "yes", the same ones that tell you "no"  
Woah, I ain't just an Average Joe  
Lemme hear y'all sing this shit with me, you ready? Let's go  
No matter where life takes me, find me with a smile  
Pursuit to be happy, only laughing like a child  
I never thought life would be this sweet  
It got me cheesin' from cheek to cheek (sing, sing)  
And I ain't going to wait for nothing  
Cause that just ain't my style  
Life couldn't get better  
This 'gon be the best day ever  
If it ain't about a dream, then it ain't about me  
Go a couple full weeks without a good night's sleep  
Imagination, makin', musical creation  
The journey that I'm facin' plus the paper that I'm chasin'  
Got me crazy, half insane and with the lames I see you hatin'  
But there's nothing' that you're changin', thumbs up, I'm maintainin'  
No complainin' when it's rainin'  
I'll be in another zone, move out my mother's home to a world I call my own  
I ain't gonna play around no more  
Found a difference from the ground and the floor  
If we got a fight, I'll be down for the war  
Lemme hear y'all sing this shit  
No matter where life takes me, find me with a smile  
Pursuit to be happy, only laughing like a child

I never thought life would be this sweet (I can't hear y'all!)  
It got me cheasin' from cheek to cheek (I can't hear y'all!)  
And I ain't going to wait for nothing  
'Cause that just ain't my style  
Life couldn't get better  
This 'gon be the best day ever
