

# Bad Girl (feat. Chris Brown)

## Rihanna

We stay moving around, solo  
Ask us where you at, we don't know  
And don't care (Don't care)  
All we know is we was at home 'cause you left us there  
You got your boys and got gone  
And left us all alone  
Now she in the club with a freaky dress on  
Cats don't want her to keep that dress on  
Trying to get enough drinks in her system  
Take it to the tele and make her a victim  
Patron on the brain, ball player in the face  
They shake the spot, she's just another case  
Easy for a good girl to go bad  
And once we gone (Gone)  
Best believe we've gone forever  
Don't be the reason  
Don't be the reason  
You better learn how to treat us right  
'Cause once a good girl goes bad  
We die forever  
He's staying with a flock of them, oh, yeah  
Got a girl at home but he don't care  
Won't care (Won't care)  
All he'll do is keep me at home, won't let me go nowhere  
He thinks because I'm at home I won't be getting it on  
And now I'm finding numbers in the jacket pockets  
Tricks calling the house, non-stop its  
Getting out of control  
Finally I can't take no more  
He finds a letter on the stairs, saying this is the end  
I packed my bag and left with your best friend  
Easy for a good girl to go bad  
And once we gone (Gone)  
Best believe we've gone forever  
Don't be the reason  
Don't be the reason  
You better learn how to treat us right  
'Cause once a good girl goes bad  
We die forever  
We stay moving around, solo  
Ask us where you at, we don't know  
And don't care (Don't care)  
All we know is we was at home 'cause you left us there

You got your boys and got gone  
And left us all alone Easy for a good girl to go bad  
And once we gone (Gone)  
Best believe we've gone forever  
Don't be the reason  
Don't be the reason  
You better learn how to treat us right  
'Cause once a good girl goes bad  
We die forever We gone forever  
We gone forever
