Fish in the Sea

Kidcat Lo-fi

I don't need you but I don't want you to go
I don't need you but I don't want you to go
I don't need you and I don't want you to know
That though I don't need you I don't want you to go (X3)

I don't love you but I want you so (X2)
And how much I want you and I don't want you to know
Yeah, how much I want you and I don't want you to know (X2)

There are plenty of other fish in the sea (X3)
Fuck all those fish if you don't want me (X3)

Could have one on each finger my mother said so (X3)
But who cares for them I don't you to go, yeah (X3)

My hair grows longer and you want to go
The earth gets warmer and you want to go
I keep on singing and you want to go
When you're leaving and you say I told you so (X3)

I don't love you but I don't want you to go
I can live on my own but I don't want you to go
I keep on singing "I don't want you to go"
When you're leaving and you said I told you so (X3)

There are plenty of other fish in the sea (X3)
Fuck all those fish if you don't want me (X3)
