

The Other One (Live in New Jersey, April 1, 1988)

Grateful Dead

Spanish lady come to me, she lays on me this rose
It rainbow spirals round and round, it trembles and explodes
It left a smoking crater of my mind I like to blow away
But the heat came round and busted me for smiling on a cloudy day
Coming, coming, coming around
Coming around, coming around, in a circle
Coming, coming, coming around
Coming around, coming around, in a circle
Escaping through the lily fields, I came across an empty space
It trembled and exploded, left a bus stop in its place
The bus came by and I got on, that's when it all began
There was Cowboy Neal at the wheel of the bus to never ever land
Coming, coming, coming around
Coming around, coming around, in a circle
Coming, coming, coming around
Coming around, coming around, in a circle
