

# Tired of Being Alone

## Spies

I'm so tired of being alone  
I'm so tired of on-my-own  
Won't you help me girl  
Just as soon as you can?  
People say that I've found a way  
To make you say that you love me  
Hey baby, you didn't go for that it's a natural fact  
That I wanna come back show me where it's at, baby  
I'm so tired of being alone  
I'm so tired of on-my-own  
Won't you help me girl  
As soon as you can?  
I guess you know that I, uh, I love you so  
Even though you don't want me no more  
Hey hey hey hey, and I'm cryin' tears all through the years  
I'll tell ya like it is honey, love me if you will  
Yeah baby  
Tired of being alone here by myself, now

I tell ya, I'm tired baby  
I'm tired of being all wrapped up late at night  
In my dreams, nobody but you, baby  
Sometimes I wonder  
If you love me like you say you do  
You see baby, I I I've been thinkin' about it, yeah  
I've been, I've been wantin' to get next to you baby  
Ya see, sometimes I hold my arms, I say, oh  
Oh baby, meeting you has proven to me  
To be my greatest dream, yeah  
I'm so tired of being alone  
So tired of being alone  
So tired of being alone  
I'm so tired of being alone  
So tired of being alone  
So tired of being alone  
I'm so tired of being alone  
So tired of being alone  
So tired of being alone
