

Deuces Are Wild

Aerosmith

I love to look into your big brown eyes
They talk to me and seem to hypnotize
You say the things nobody dares to say
And I'm not about to let you fly away
My lover with no jet lag
We'll stay up all night in my sleepin' bag
You got a heart-beatin' rhythm from the subterranean
I really love you little girl, I don't need to explain
I love you 'cause your deuces are wild, girl
Like a double shot of lovin' so fine
I been lovin' you since you was a child, girl
'cause you and me is two of a kind
Like deja vu I feel like I've been here
Or somewhere else but you've been always near
It's you that's in my dreams I'm beggin' for
But I woke up when someone slammed the door
So hard I fell out of bed
Screamin' mama's little baby loves shortnin' bread
And the moral of the story, I can testify
I get stoned on you girl, that's the best reason why
