Something 'bout Love

David Archuleta

Something 'bout love, love Something 'bout love, love Every night it's all the same You're frozen by the phone You wait, something's changed You blame yourself every day You do it again every night There's something 'bout love that breaks your heart Whoa oh oh, it sets you free There's something 'bout love that tears you up Whoa oh oh, you still believe When the world falls down like the rain It'll bring you to your knees There's something 'bout love that breaks your heart Whoa oh oh, but don't give up There's something 'bout love When you were young, scared of the night Waiting for love to come along and make it right Your day will come, the past is gone So take your time and live and let live There's something 'bout love that breaks your heart Whoa oh oh, it sets you free There's something 'bout love that tears you up Whoa oh oh oh, you still believe When the world falls down like the rain It'll bring you to your knees There's something 'bout love that breaks your heart Whoa oh oh, but don't give up There's something 'bout love Don't fight, don't hide those stars in your eyes Let em' shine tonight Let em' shine tonight Hang on, hang in for the ride of your life It's gonna be alright Hold on tight There's something 'bout love that breaks your heart Whoa oh oh oh There's something 'bout love that breaks your heart

Whoa oh oh, it sets you free

There's something 'bout love that tears you up
Whoa oh oh oh, you still believe
When the world falls down like the rain
It'll bring you to your knees
There's something 'bout love that breaks your heart
Whoa oh oh oh, but don't give up
There's something 'bout love
Whoa oh oh oh, sets you free
There's something bout love that tears you up
Whoa oh oh oh, you still believe
When the world falls down like the rain
It'll bring you to your knees
There's something 'bout love that breaks your heart
Whoa oh oh oh, but don't give up
There's something 'bout love
