

I Still Have A Praise Inside Of Me

Georgia Mass Choir

(Leader)

I been through the fire and
I been through the flood
Broken in pieces
and left all alone
But through it all God blessed me
and through it all God kept me
and I still have a praise inside of me
Yes I still have a praise inside of me
Can I get a witness here?

(Choir)

I been through the fire
I been through the flood
Broken in pieces
and left all alone

(Leader)

But I got good news tonight
But through it all

(Choir)

But through it all God blessed me
through it all God kept me
and I still have a praise inside of me

(Leader)

Let me tell you what my praise is.
There is a praise in my spirit
a praise down in my soul
a glory hallelujah
that cannot be controlled
and I still have a praise inside of me

(Leader)

I got one more thing I want to tell you
Listen to this
Although Iâ€™ve been wounded
and Iâ€™ve been scarred
I never gave up
I trusted in God

(Choir)

Although Iâ€™ve been wounded
and Iâ€™ve been scarred
I never gave up
I trusted in God

But through it all God blessed me
through it all God kept me
and I still have a praise inside of me
Yes I still have a praise inside of me

(Leader)

IF you still got it come on

(Choir)

There is a praise in my spirit
a praise down in my soul
a glory hallelujah
that cannot be controlled
and I still have a praise inside of me

(Leader)
