

He's Still Working on Me

The Hemphills

He's still working on me
To make me what I need to be
It took him just a week to make the moon and stars
The sun and the earth and Jupiter and Mars
How loving and patient He must be
'Cause He's still workin' on me

He's still working on me
To make me what I need to be
It took him just a week to make the moon and stars
The sun and the earth and Jupiter and Mars
How loving and patient He must be
'Cause He's still workin' on me

There really ought to be a sign upon my heart
Don't judge him yet, there's an unfinished part
But I'll be better just according to His plan
Fashioned by the Master's loving hands

He's still working on me
To make me what I need to be
It took him just a week to make the moon and stars
The sun and the earth and Jupiter and Mars
How loving and patient He must be
'Cause He's still workin' on me

In the mirror of His word
Reflections that I see
Makes me wonder why He never gave up on me
But He loves me as I am and helps me when I pray
Remember He's the potter, I'm the clay

He's still working on me
To make me what I need to be
It took him just a week to make the moon and stars
The sun and the earth and Jupiter and Mars
How loving and patient He must be
'Cause He's still workin' on me

He's still working on me

To make me what I need to be
It took him just a week to make the moon and stars
The sun and the earth and Jupiter and Mars
How loving and patient He must be
'Cause He's still workin' on me
