Hello, Hi, Goodbye

Rita Ora

Hello, hi, goodbye
So I'm saying, hello, hi, goodbye
Saying, hello, hi, goodbye
Saying, hello, hi, goodbye
Saying
Imagine the future of you and me
Seems good and then you leave
The pain in this vision is killing me
Reality is, we will never be
I'm prompt to a love travesty
And this feels like another tragedy
And the truth, really is, we're too young to understand love domain
Love express, I'll take you out, the fireflies
And let you go and crash
No replying from the ash
We'll just be burning up after that
I hate you, oh, you hate me, oh
I'll take you, oh, you break me, oh
And now I'm scared cause I've been there
Stuck in this prison, no optimism
And now it's hello, hi, goodbye
My heart has no room for love
So I'm saying, hello, hi, goodbye
My heart fell, no getting up
Saying, hello, hi, goodbye
In the other time, I'll be up

Saying, hello, hi, goodbye
But that thing in me has gone
I know you wish somehow I could explain
I'm still numb from the pain
And I don't wanna know your name
Please get up and walk away
I don't wanna fall in love again
Don't wanna start anything that could end
I know you think you can get through to me
But I'm locked and lost in this century
I already know how this goes
Laid down, broken, heart broke

I hate you, oh, you hate me, oh
I'll take you, oh, you break me, oh
And now I'm scared cause I've been there
Stuck in this prison, no optimism
And now it's hello, hi, goodbye
My heart has no room for love
So I'm saying, hello, hi, goodbye
My heart fell, no getting up
Saying, hello, hi, goodbye
In the other time, I'll be up
Saying, hello, hi, goodbye
But that thing in me has gone
It's gone, it's gone, it's gone, it's gone, it's gone, it's gone, it's gone
It's gone, it's gone, it's gone, it's gone, it's gone, it's gone, it's gone, it's gone, it's gone, it's gone, it's gone, it's gone, it's gone, it's gone, it's gone, it's gone
It's gone
