Don't Think

Parokya Ni Edgar

Please don't
Worry 'bout how things might turn out
Let go, let everything go
Go run
Lose yourself down an unknown path
Get lost no matter the cost
Don't think time away
Before you know it
The show is ended
Don't be scared to fall
Just as long as you remember
That nothing came to those who didn't try
Stop, look, listen
The moment just might pass this time
Lay it on the line
Don't quit, don't lack
Give it all and everything you've got
Cause there may never be another time
Because there may never be another time[Adlib]Don't think time away
Before you know it the show is ended
Don't be scared to fall
Just as long as you remember
To get up off the ground and try again
Don't think time away
Before you know it the show is ended
Don't be scared to fall
Just as long as you remember
That nothing came to those who didn't try
Those who didn't try
