

Pain In My Heart

David Johansen

Well I keep tryin tryin tryin but I just can't never win
When I come lookin for sin I always wind up disciplinedI shoulda listened
I shoulda took my friends advice
I shouldn't have come back
To try and melt that heart as cold as iceAnd I know
Cause It's a pain in my heart
and it hurts
Like someone 's torn it apart
and what's worse
I felt it right from the start
and I know
Thats just no way to live
Cause I have tried tried tried but I just cant never win
And its enough to make you start to believe in retribution
I shouldn't be here
I could be in there having a blast
I shouldn't have come back
to try and liven up this dying romanceAnd I know
I shouldnt talk so loud
And I know
I shouldnt act so proud
and I know
I shouldnt wonder how to know
That that's no way to liveWell I know
Cause it's a pain in my heart
and it hurts
Like someone's torn it apart
and what's worse
I felt it right from the start
and I know
I just can't never win
I said so come on boys
I'll buy you a drink
come on boys
dont let me think
come on boys
I'm starting to sink
And I know
I cant go back againWell I know

Cause It's a pain in my heart
and it hurts
Like someone's torn it apart
and what's worse
I felt it right from the start
and I know
Thats just no way to live
