Forget our pain

It's freedom in the air

Goin' life place

Do what you wanted

You gotta realize

It's time to close your eyes

Life is paradise

See the beauty and happyness wiseBridge:

We don't know if there will be tomorrow

I'm telling you to live your life without

Grief and sorrowChorusVerse II:

Life is now , you wonder how

And you watch yourself

Why?

While you're watching the people
