

Strange Ways

Kiss

Well, it's a strange way
The way you look at me
And it's a hard time
Time you been givin' me Come on and open up
Open up to me
So you can realize
That I could set you free Strange ways, twisted days
Strange ways, twisted days Well, it's a strange place
Man, you've been livin' in
And it's a strange line
You've been deliverin' I think, I like it
But I'm not really sure
Don't wanna fight it much
Just wanna feel some more Strange ways, twisted days
Strange ways, twisted days Strange ways, twisted days
Strange ways, twisted days
