Lipstick

Buzzcocks

When you kiss me
Does the lipstick on your lip stick on my face
Will you miss me
In your dreams does your lover have my faceAh, when you kiss me
Does the lipstick on your lip stick on my face

Ah, will you miss me In your dreams does your lover have my faceIt's the morning

And the mourning it is dawning on me too I'd no warning

Just a condolence card to tell me that we're throughAh, it's the morning

And the mourning it is dawning on me too

I had no warning

Just a condolence card to tell me that we're throughWill you kiss me

Does the lipstick on your lip stick on my face

When you miss me

In your dreams does my lover have your faceAh, when you kiss me

Does the lipstick on your lip stick on my face

Ah, will you miss me

In your dreams does your lover have my face
