Don't Love You

Tv On The Radio

Oh, simple girl
Oh, foolish man
Trying to bend these lovers rules
Into a simple plan
Oh, aching bones
Oh, sleepless bed
They toss and turn, and roll
Away from words unsaid
It's just that all that you were
Was all I could want
Now I can't trust your lover's tongue
Except to tease and taunt
Well, it was said best by you
It's been said best before
But I just want to let you know
I don't love you anymore
Sad wakes alone
Cradlin' the phone
Knows that sullen silence
Is the meanest way to moan
But all that you were
Was all that I had
And we could not find a simple way
To work that simple plan
Oh, aching bones
Oh, sleepless bed
Toss, turn and roll
Away from words unsaid
Well, it was said best by you
It's been said best before
But I just want to let you know
I don't love you anymore
Oh, I just want to let you know
I don't love you anymore
Oh, I just want to let you know
I don't love you anymore
Oh, I just want to let you know
I don't love you anymore
