We Vibrate

The Vibrators

Well I know a girl yeah she's mighty fine,
We go in clubs all the time.
An when we're there, we dance the night away,
We don't stomp, mash potato or swayWe vibrate
Vibrate together, vibrate,
Stamp our shoe leather, vibrate.
Tear at the tether,
C'mon everybody let's vibrate together.We hit the floor, they all stand back,
We start to vibrate and the floor starts to crack.
Well by the second verse they're all joining in,
We don't to the hustle, hully gully or swim,We vibrate
Vibrate together, vibrate,
Stamp our shoe leather, vibrate.
Tear at the tether,
C'mon everybody let's vibrate together,
C'mon everybody let's vibrate together,
C'mon everybody let's vibrate together.
Vibrate.Well there's some people tell you what you gotta do do,
Release your spine, kick off your shoes.
Oh take your muscles into overdrive.
But don't you bother,
But don't you bother,
But don't you bother to bop or jive -We vibrate
Vibrate together, vibrate,
Stamp our shoe leather, vibrate.
Tear at the tether,
C'mon everybody let's vibrate together.
C'mon everybody let's vibrate together.
C'mon everybody let's vibrate together.
Vibrate.
