Home Again

Kensington

You got to go
Go stop it or you will be left here
It's coming and it won't be asking
Got nothing when there's
Nobody left in your home againYou got to go
Go stop it and it won't be happening again
Get caught up in it
They'll be asking but don't
Get caught up with the people
Who won't get you home againSo, we're running our own way home
We're running our waySo, we're running our own, we are
We're running our own way home
We're running our own, we are
We're running our own way homeYou'll get it all
All coming when you least expect it
If I'd lead the type of life you lead here
I'd lose my heart, my head, my homeYou got to go
Go stop it and it won't be happening again
Get caught up in it
They'll be asking but don't
Get caught up with the people
Who won't get you home againSo we're running our own way home
We're running our waySo, we're running our own, we are
We're running our own way home
We're running our own, we are
We're running our own way homeAnd all of their waves won't bring me down
Not letting my days fade outWe'll run on our own
Their laws won't take us now
We'll run on our own
Their walls, we'll break themSo, we're running our own, we are
We're running our own way home
We're running our own, we are
We're running our own way homeWe're running our own, we are
We're running our own way home
We're running our own, we are
We're running our own way homeWe're running our own way home
We're running our own way homeWe'll run on our own
Home
We'll run on our own
