Better When You're Not There

Vertical Horizon

It's good to see your face in the morning
It helps me to face the day
I see you lighting candles as I turn away
I want you, I need you
In a way that confuses me
But it's good to hold you
But it's better when you're not there
It's better when you're not there
It's better when I don't care
About the things you say
In the world's worst way
It's better when you're not there
But somehow it waits till the morning
I feel your eyes on me
It's a such a perfect moment
It almost sets me free
I wanted to keep you holding
In while you're pulling away
It's good to know you
But it's better when you're not there

It's better when you're not there
It's better when I don't care
About the things you say
In the world's worst way
It's better when you're not there
It's better when you're not there
It's good to see your face in the picture
It's amazing what I miss
It's always right in the moment
When you're colored by your kiss
I wanted to tell you
There are times when I think of your face
It's good to know you
But it's better you're not there
It's better when you're not there
It's better when I don't care
About the things you say
In the worlds worst way

It's better when you're not there
It's better when you're not there
