## Hetzer

blatant manner speak parting
addicted romance love tested
bonding cement no longer holds
failing from substance abuse
parting fits too young to grow old
wicked resenting never faces itself
torturer taints animal waits
no evironment torturer lovingrighteous real-time intrusion
cancer attack bleaching desserts so sweet
fears filtered for reasons unknown
torturer taints animal waits
leaves bitter taste in the mouth forever
corners creeping fear
tasting force fed lies of the wicked
acting out fears false truth turned around
wicked torture wicked wicked
the wicked words of the torturer
abusing and controlling anyone thats useful to him
wicked waits the torturer
wicked waiting of the torturerreads story truth seething
swallows turning away
torturer taints animal with hate
believed poison eaten
controls turning away
enlightenment turned away
no change the wicked not facing hisself
wicked torturer
force fed torment
animal torture
wicked not facing hisself
torturer turning away
wicked turning away
wicked torturer
wicked turning away
turning away disappears from himself
tortures the animal
tortures the animal
