

There Is a Home There for Me

[Giselle](#)

There is a Home there for me
There is a Home there for me
Far beyond the Jordan, with streets of Gold and a Crystal Sea
There is a Home there for me. My Savior Jesus will be there
He's built a Home for me, O so fare
Far beyond the Jordan, with Streets of Gold and a Crystal Sea
There is a Home there for me With precious Stones are built the walls
There's room for one, there's room for all
Far beyond the Jordan, with Streets of Gold and a crystal Sea
There is a Home there for me. He shed His Blood on Calvary's Tree
That bought a Home there for you and me
Far beyond the Jordan, with streets of Gold and a Crystal Sea
There is a Home there for me.
