

Tiger by the Tail

[Rick Springfield](#)

What a shock it was so surprising
You looked so small and frail
I didn't know what to do
I grabbed the tiger by the tail
I grabbed the tiger by the tail
I grabbed the tiger by the tail People said that you must be joking
You let emotions run away with you
I realized a little too late
I bit off more than I could chew I grabbed the tiger by the tail
I grabbed the tiger by the tail Sometimes you grip it right
And sometimes you fail I grabbed the tiger by the tail
I grabbed the tiger by the tail
I grabbed the tiger by the tail At times life can be so enlightening
But it can turn on you
Lately it gets so complicated
I don't know what the tiger will do I grabbed the tiger by the tail
I grabbed the tiger by the tail Sometimes you grip it right
And sometimes you fail I grabbed the tiger by the tail
I grabbed the tiger by the tail
I grabbed the tiger by the tail Sometimes you grip it right
And sometimes you fail
I grabbed the tiger by the tail
