

Father Lucifer

[Tori Amos](#)

Father Lucifer you never looked so sane
You always did prefer the drizzle to the rain
Tell me that you're still in love with that Milkmaid
How the lizzies?
How's your Jesus Christ been hanging? Nothing's gonna stop me from floating
Nothing's gonna stop me from floating He says he reckons, I'm a watercolor stain
He says I run" and then I run from him
And then I run
He didn't see me watching from the aeroplane
He wiped a tear
And then I threw away our apple seed Nothing's gonna stop me from floating
Nothing's gonna stop me from floating Everyday's my wedding day
The baby's still in his comatose state
I'll dye my own Easter eggs
Just don't go yet, just don't go And Beenie lost the sunset but that's okay
Does Joe bring flowers to Marilyn's grave
And girls that eat pizza and never gain weight
Never gain weight, never gain weight Father Lucifer
You never looked so sane
You always did prefer the drizzle to the rain
Tell me that you're still in love with that Milkmaid
How the lizzies?
How's your Jesus Christ been hanging?
