I'm Not Gonna Miss You

[Glen Campbell](#)

I'm still here, but yet I'm gone
I don't play guitar or sing my songs
They never defined who I am
The man that loves you 'til the endYou're the last person I will love
You're the last face I will recall
And best of all, I'm not gonna miss you
Not gonna miss youI'm never gonna hold you like I did
Or say I love you to the kids
You're never gonna see it in my eyes
It's not gonna hurt me when you cryI'm never gonna know what you go through
All the things I say or do
All the hurt and all the pain
One thing selfishly remainsI'm not gonna miss you
I'm not gonna miss you
