Prom Climax

Premiere Cast

Look at how she's smiling now, that stupid little cow.
Well the real fun has not started yet.
I've had enough to here with all your demands
Remember I'm not the only one with blood on his hands.
Now, I realize you gotta bone to pick
But even for me, this trick is pretty damn sick.
I've got one last little beat, and then my plan's complete, for a night that she'll never forget.
Givin' it. Givin' it. (x5 under dialogue)
Norma, what are you doing?
Uh, Sue! Hi! I didn't expect to see you here tonight! Oh God, you're underdressed.
What are you up to?
Nothing!
What's going on?
I'd love to stop and chat, but I'm on official ballot duty. But stick around, Sue. It's gonna be the best prom night ever.
Givin' it
