NETFLIX N CHILL

Let's Netflix and chill baebe aye
Imo put some movies baebe aye
Just put your legs ontop of me bae aye
Imo grab munchies baby aye
Then later we be fucking baby aye
From the couch to the carpet baby aye
We fucking, touching, licking
No stopping aye
Oh oh oh

We going wild
Up on the floor
Ain't No stopping us
Doggy style I'm hitting it
Pop that ass I'm hitting it
Pa pa pa pa we getting it
Hey
Lay it down I'm eating it
Freak you till you cum on me
You know I'm your medicine
Ooh oh
I'll be there when you need me
Aha
You know you my number one

Let's Netflix and chill baby aye
Imo put some movies baby aye
Just put your legs ontop me bae aye
Imo grab munchies baby aye
Then later we be fucking baby aye
From the couch to the carpet baby aye
We fucking, touching, licking
No stopping aye
Oh oh oh

I'm beating it, I'm eating it

You screaming making melodies
I think I'm the best with this
Do you like you never did
Your body is my fantasy
Going places never been
I'm doing things I never did
Shut up, shut up
Shut your mouth and take my dick
I stroke you down like mr Marcus
Aha
and I beat it beat it up like Micheal Jackson

Let's Netflix and chill baby aye
Imo put some movies baby aye
Just put your legs ontop me bae aye
Imo grab munchies baby aye
Then later we be fucking baby aye
From the couch to the carpet baby aye
We fucking, touching, licking
No stopping aye
Oh oh oh
