Love Can't Ever Get Better Than This

Ricky Skaggs

Lookin' at you I can see what I've missed
Love can't ever get better than this
Never knew there was so much in a kiss
Love can't ever get better than thisI knew this ol' world like the back of my hand
Known a lot of boys but I never knew a man
You were someone, darlin', that I couldn't resist
Oh, love can't ever get better than this
Love can't ever get better than thisYou took a country boy and gave his life a new twist
Love can't ever get better than this
I'm tellin' everyone you're at the top of my list
Love can't ever get better than thisI made a lot of money but it didn't buy me dreams
Thought that I was rich but I was only in between
You were someone, darlin', that I couldn't resist
Oh, love can't ever get better than this
Love can't ever get better than thisGonna have a lifetime
Makin' up our own mindLookin' at you I can see what I missed
Love can't ever get better than this
I'ma tellin' everyone you're at the top of my list
Love can't ever get better than thisMade a lot of money but it didn't buy me dreams
Thought that I was rich but I was only in between
You were someone, darlin', that I couldn't resist
Oh, love can't ever get better than this
Love can't ever get better than thisLove can't ever get better than this
Love can't ever get better than this
Love can't ever get, love can't ever get
Love can't ever get better than this
