Go Your Way

The O.C. Supertones

Not long after my rescue
I let my failures get me down
My sin had robbed me of the joy I had in you
Then you saved me from that too(chorus)
All I wanna do is talk about Your grace
I don't wanna go unless I go Your way
Get a little closer to You everyday
I'm gonna turn around and go Your way (X2)What I thought of as my freedom
Was a prison without walls
I held on tightly to the shackles that I hate
But this wasn't freedom at all(chorus)I thought that I'd gone too far
Then I heard You call my name
Return to me child
I am eager to forgive
But leave behind the chains (X2)(chorus)
