

Time Is Love

Josh Turner

[josh turner]

i know i gotta put in the hours,
make the money while the sunlight shines
but anything i gotta get done,
it can get done some other timetime is love, gotta run,
love to hang longer,
but i got someone who waits,
waits for me and right now
she's where i need to be,
time is love, gotta runi only get so many minutes,
don't wanna spend 'em all on the clock
in the time that we spent talkin',
how many kisses have i lost?time is love, gotta run,
love to hang longer,
but i got someone who waits,
waits for me and right nowshe's where i need to be,
time is love, gotta run.gotta fly
fly
before one moment
gets bytime is love, gotta run,
love to hang longer,
but i got someone who waits,
waits for me and right now
she's where i need to betime is love, gotta run,
love to hang longer,
but i got someone who waits,
waits for me and right now
she's where i need to be,
time is love, gotta run.time is love, gotta run
