Broken Glass

Sia

Laying down in your arms
I don't wanna fight anymore
Rough seas will be calm
I'm home while we weather the stormWe fall down like dogs playing dead
Well, our love's not worth playing chicken, babyI'm not discarding you like broken glass
There are no winners when the die is cast
There's only tears when it's the final task
So don't give up, it's just young lovers' romance
So don't give up, it's just young lovers' romanceThere's to lose in our past
When we are where we're meant to be
Learn things I don't ask
I am, I am gonna get her to meWe fall down like dogs playing dead
Well, our love's not worth playing chicken, babyI'm not discarding you like broken glass
There are no winners when the die is cast
There's only tears when it's the final task
So don't give up, it's just young lovers' romance
So don't give up, it's just young lovers' romance
So don't give up, it's just young lovers' romance
So don't give up, it's just young lovers' romanceI'm not discarding you like broken glass
There are no winners when the die is cast
There's only tears when it's the final task
So don't give up, it's just young lovers' romance
I'm not discarding you like broken glass
There are no winners when the die is cast
There's only tears when it's the final task
So don't give up, it's just young lovers' romance
Don't give up, it's just young lovers' romance
Don't give up, it's just young lovers' romanceI'm not discarding you like broken glass
I'm not discarding you like broken glass
I'm not discarding you like broken glass
So don't give up, it's just young lovers' romance
