

I Want It Bad

Jose Spinnin Cortes & Meital De Razon

It doesn't do me any good
Chasing memories
Running from you
Running from you babe
It doesn't do me any justice
Searching for your face
In every new somebody
In every other place
And I've tried to deny it
But it always comes to mind
That I cannot live without your love
I cannot live without your love
I cannot live without your love

And I want it bad I want it bad
I want it bad baby
Come back to me

The heat in my body
Your love's all around me
I want it
I want it
I want it
Come back
