Lighten Up (Dillistone Remix)

Citizens!

Running through you the heaven
Everything you know
How low can you go
Lighten Up
Lighten Up
Lighten Up
Lighten Up
Lighten Up
Lighten UpHold out your hand, I'll lead you up
Into some promise land
Out into the night, reaching for the sky's
Once you're down on the flying
That's for evermore
One day you will know, how high we can go
Believe me(Lighten Up) How low can you go my love
(Lighten Up) How low can you go
(Lighten Up) How low can you go my love
(Lighten Up) How low can you go nowHold it down, make yourself sick
We've been living like, lunatics
Don't let the rhythm slip
They tell me it's all in the hips
Get back to work, those watching eyes
And teach you how to judge
One day you'll know
How high we cam go
Believe me(Lighten Up) How low can you go my love
(Lighten Up) How low can you go
(Lighten Up) How low can you go my love
(Lighten Up) How low can you go now
.
You, and I, we are so high
Within, no no
But we might fall, one day
Within, no no
How low, we both could go
Heaven the heart and the soul
And I'll controlHow low can you go my love
How low can you go
(how low) How low can you go my love

(how low) How low can you go
(how low) How low can you go my love
(how low) How low can you go
How low can you goHow low can you go my love
(how low) How low can you go
(how low) How low can you go now
(how low) How low can you go my love
(how low) How low can you go
My loveHow low we can go my love
How low we can go now
